ABOUT US

Rev. Brother Paul Sun Education Foundation (the 'Foundation') is a charitable trust body approved by the Hong Kong Government as a tax-exempt charitable organisation. The trust document establishing the Foundation sets out the objective, operation, governance and other provisions. The main aim of the Foundation is to promote education, as a continuation of the significant work accomplished by our beloved late Rev. Bro. Paul Sun, founder of St. Joseph's Anglo-Chinese School (SJACS) and St. Joseph's Anglo-Chinese Primary School (SJACPS)

Rev. Bro Paul Sun (20 November 1907 – 13 March 1986) lived a life of Catholic faith, hope, and love. He dedicated his life to educating the young. In 1958, with the support of the De La Salle Brothers, the Marist Brothers, and others, he established SJACS and SJACPS in a small old villa, starting with 455 boys. Before returning to The Lord, he learned that his beloved villa would be redeveloped into a modern primary school and a parish church. He won the admiration and respect of his peers. He put SJACS and SJACPS under the special patronage of St. Joseph, and instilled in us, his boys, the St. Joseph Family Spirit.

The Foundation is named in memory and in honour of this great man.

CHAIRMAN'S MESSAGE

Dear parents, principals, teachers, students, friends and supporters,

Thanks to the guidance of our advisors and the support of our trustees and many volunteers, the Foundation, a new charitable trust founded in Nov 2009, has been making steady progress and has been gaining recognition in the community in the six years since its founding.

Here are a few highlights of our work this year.

This year we have one new face on our Board of Trustees - Mr. Aaron Ho, SJACS graduate of 1973.

SJACPS new e-education initiatives

We have successfully completed the second fund raising target HK\$301K for SJACPS, in support of its new e-education initiatives.

University Scholarship Program

I am happy to announce two more new scholarships were set up for SJACS DSE graduates. We now in total have eleven scholarships for SJACS graduates entering into Universities of different disciplines.

A Roll of Honors is expected to be put up in the Rev. Bro. Paul Sun Memorial Hall that will display, for all to see, the names of the various scholars and the awards won. The aim is to instill a sense of pride in academic achievement and to encourage students to emulate such fine examples – true to the school motto: Ad Astra!

Non-Academic and Financial Assistance

We also set up Scholarship for Non-Academic and Financial Assistance Scheme to diversify our scope and help students of different needs and potentials.

Free EyeGlass Services for Needy Students

Eyeland Co. offers free eyeglass services for needy students from the schools under Foundation's sponsorship.

Reaching Out Further Afield

Guided by the ideals of the late Rev. Brother Paul Sun, the Board of Trustees is following a policy to extend the coverage of the Foundation's work to more schools in need. Price Memorial Catholic Primary School, St. John the Baptist Catholic Primary School (Kwun Tong), and Bishop Ford Memorial School are new beneficiaries of the Foundation

New Fund Raising Initiatives

2015-2016 is another busy and challenging year for the Foundation. Among our plans, we are launching a new series of Speakers' Forums. The first one was held on October 6, 2015. We had the honour to have Professor TSUI Lap Chee (ex Vice Chancellor of HKU) as our keynote speaker. We thank you for your continued support!

On behalf of all the trustees, may I wish everyone a happy, healthy and fruitful Year!

God bless!

HK\$301K DONATION TO SJACPS FOR E-LEARNING

In August of last year, the Foundation fulfilled its pledge to donate HK\$301,000 to St Joseph's Anglo-Chinese Primary School (SJACPS) to support their e-learning initiatives. Our donations have now come to fruition with the introduction of eClass hardware and software at the school.

SJACPS has introduced many new digital aids with our support, including:

- PowerLesson: Teachers are now able to formulate and deliver interactive, digital lesson plans.
- PowerBoard: Classrooms have been fitted with a digital whiteboard that allows students and teachers to interact with notes and objects on the board.
- eClass app for parents and teachers: The app has greatly enhanced communication between parents and teachers.
- Smart card attendance taking: Students now have smart student cards. Their attendance can be recorded by tapping the card on the card readers on the playground when they arrive at school.
- Digitizing the library and introducing eBooks: The school has upgraded its library database from using an analog, paper-based system, to using a digital database, making it easier to keep track of books. The school has also introduced a wide range of eBooks.

FUND-RAISING EVENTS

CHARITY MAHJONG TOURNAMENT

The Foundation held its first charity mahjong tournament on 25 January 2015 at the Chinese Club in Central. There were a total of 12 contestants battling for the title of mahjong king. After an intense series of matches, Russ Ko emerged as the champion, after winning a big hand literally right before the finishing bell. He was awarded a special golden trophy in honour of his victory. Dinner followed right away as others had turned up to join the party.

We were joined by alumni, old teachers, and friends of the Foundation, making up three tables. There was much lively conversation and laughter over the course of the meal, and everyone truly enjoyed the evening.

ANNUAL DINNER 2015

The Rev. Brother Paul Sun Education Foundation's Annual Dinner was held on Friday, 17th July, at the Chinese Club, Central. The event was well attended by over 70 guests, including trustees, patrons and supporters. Our guest of honour for the evening was Auxiliary Bishop Joseph Ha Chi-Shing, of the Catholic Diocese of Hong Kong, who is also an alumnus of St. Joseph's Anglo-Chinese School.

It was a wonderful annual occasion for bonding in the best of our St. Joseph's family spirit, involving not only the Trustees, the SJACS Alumni, School Supervisors, Principals and teachers but also PTA representatives and students. Indeed, it set another landmark of progress for the Foundation in terms of participation, support and donations.

FUND-RAISING EVENTS

SPEAKERS FORUM 2015

The Rev. Brother Paul Sun Education Foundation Speakers' Forum is a series of charity fund-raising events featuring a substantial keynote guest speaker on each occasion. Speakers' Forum 2015 took place on the evening of October 6, 2015 at the Hong Kong Football Club. The speaker for the night was Prof. Tsui Lap Chee (徐立之教授) former Vice-chancellor of The University of Hong Kong.

Guests of the evening numbered over 70 and included continuing supporters of the Forum as well as some new donors. Many attendees were alumni and students of St. Joseph's Anglo-Chinese School and St. Joseph's Anglo-Chinese Primary School, friends and family.

At around 8:30pm, Prof. Tsui began his talk: 'The Story of a Former Scientist'. He shared his experiences, which taught him the importance of perseverance, boldness, hard work, and integrity. Indeed, the professor is an excellent role model for all who seek excellence in the pursuit of knowledge.

Everyone had a lovely time listening to the professor and catching up with old friends. To cap it off, a total of over HK\$200,000 was raised by this event, making the Forum a very successful program for the Foundation.

CHARITY WINE DINNER

In the evening of Saturday, 18 April 2015, the Foundation organized a charity wine dinner at Neptune's Restaurant, Ocean Park. The evening's menu featured a delectable selection of Australian-themed cuisine, including lamb, salmon, and giant prawns. The food was wonderfully paired with fine wines donated by Trustee Mr. Andrew Li. Our guests all donated generously, raising HK\$70,000 for the Foundation.

To add to the fun of the party, there was a lucky draw. The most coveted prizes were a pair of Ocean Park tickets donated by Mr. Matthias Li, and four cartons of wine donated by Mr. Andrew Li.

In keeping with the night's Australian theme, Mr. Matthias Li donated a koala-shaped cake for everyone to enjoy. After everyone had had their turn to take pictures with the unique cake, it was cut by Mr. Matthias Li and shared by all.

Mr Chan had been an English teacher at St. Joseph's Anglo-Chinese School for some 30 years. He was well liked by his students, many of whom have kept up a close relationship to this day. Therefore, it was little surprise that they turned up in force at his 80th birthday party.
