# CHAIRMAN'S MESSAGE

## Dear Readers,

Thanks to our Advisors, Trustees, volunteers and donors, the Foundation, founded in Nov 2009, is continuing to make steady progress and is gaining recognition in the community. Last year has been particularly successful. We have raised a total of \$850,000 and given out some \$500,000. We now cover 11 beneficiary schools, including one secondary school and 10 primary schools, with student population approaching 10,000.

Some examples of the Foundation's work are:

- A University Scholarship Program for St. Joseph's A-C School
- Brother Paul Sun Young Scholar Awards
- Commendable Performance in Conduct Awards
- Mr. Lee Hon Leung(李漢良) Memorial Best Improvement Student Award
- Non-Academic and Financial Assistance Scheme
- Free EyeGlass Service for Needy Students
- Various Scholarship Award Schemes for Primary Schools

Guided by the ideals of the late Rev. Brother Paul Sun, the Board of Trustees is following a policy of extending the coverage of the Foundation's work. Meanwhile, three more primary schools will be joining, namely Lok Wah Catholic Primary School, The Little Flower's Catholic Primary School and Catholic Mission School. We are getting encouraging feedbacks from the schools, teachers, students and parents alike.

In order to support the Foundation's on-going program and various new initiatives, we have been very active in fund raising. I expect that 2017 would be another busy year for us. Following our recent Halloween Party at the Ocean Park, we are planning a Bicycle Charity Ride in January, a Charity Mahjong Tournament in February, a Charity Interschool Schools Talent Show and a Charity Arts and Calligraphy Exhibition in March. Please support us by joining some or all of these events.

Indeed, the name of the Foundation is spreading further. This year, the circulation of our newsletter will reach the 8,600 mark. To increase our communication with Josephians and our supporters, we will post our news on JA Facebook, our website ([www.bpsf.org.hk](http://www.bpsf.org.hk)) and BPSF Facebook page on a regular basis ([www.facebook.com/bpsf2014](http://www.facebook.com/bpsf2014)). We will also publish our newsletter on a half-year basis starting 2017.

To make your donation, please contact Aaron Ho, our Treasurer, who is always ready with the receipts (tax-exempt) for you. The Foundation would also need more volunteers, and Trustee Daniel Li is coordinating the recruitment effort.

I am very much looking forward to reporting further progress in my next update. Meanwhile, on behalf of all the Trustees, may I wish everyone a happy, healthy and fruitful New Year!

God Bless!

Roger LAM  
Chairman, Board of Trustees

## ABOUT US

**Rev. Brother Paul Sun Education Foundation** (the ‘Foundation’) is a charitable trust body approved by the Hong Kong Government as a tax-exempt charitable organisation. The trust document establishing the Foundation sets out the objective, operation, governance and other provisions. The main aim of the Foundation is to promote education, as a continuation of the significant work accomplished by our beloved late Rev. Bro. Paul Sun, founder of St. Joseph’s Anglo-Chinese School (SJACS) and St. Joseph’s Anglo-Chinese Primary School (SJACPS) Rev. Bro Paul Sun (20 November 1907 – 13 March 1986) lived a life of Catholic faith, hope, and love. He dedicated his life to educating the young. In 1958, with the support of the De La Salle Brothers, the Marist Brothers, and others, he established SJACS and SJACPS in a small old villa, starting with 455 boys. Before returning to The Lord, he learned that his beloved villa would be redeveloped into a modern primary school and a parish church. He won the admiration and respect of his peers. He put SJACS and SJACPS under the special patronage of St. Joseph, and instilled in us, his boys, the St. Joseph Family Spirit.

The Foundation is named in memory and in honour of this great man.

# YOUR DONATIONS AT WORK

## HK\$55,000 Raised for SJACS Robotics Team

The Robotics Team of SJACS won 1st runner up pin the Hong Kong regional contest of MATE ROV, an international underwater robotics competition organized by the Marine Advanced Technology Education (MATE) Center. They went on to compete in the international final, which was held in the United States from 21 June to 28 June 2016.

The school appealed to the Foundation for support to send the nine-person team to NASA Johnson Space Center's Neutral Buoyancy Lab (NBL) in Houston, Texas for the finals.

We appealed to our donors, many of whom are Josephians themselves. They were proud to see students of their school working hard and doing great things. Many thanks to our generous friends. We collected HK\$55,000 in donations, which were then given to St. Joseph's.

The Foundation and its donors are incredibly proud of St. Joseph's robotics team. We pray for further successes in future!

## Welcome Mr. Andrew Wu to the Board of Advisors

It is a great pleasure to welcome Mr. Andrew Wu Kwok Keung to join the Foundation as a member of the Board of Advisors. Andrew brings with him a wealth of experience gathered over an illustrious professional career. With open arms, the Board of Trustees welcomes him and is looking forward to receiving his valuable advice and support in fulfilling the goals of the Foundation.

Andrew (Class of '69) and his elder brother Louis (Class of '67) attended St. Joseph's Anglo-Chinese School. We are proud to acknowledge them as true sons of St. Joseph's.

## Rev. Bro. Paul Sun Young Scholar Award

We are into the 3rd year of the Foundations' Rev. Bro Paul Sun Young Scholar Award program. This award is given to outstanding graduates of our beneficiary primary schools who enrolled in St. Joseph's Anglo-Chinese School. This year the awards were given to Ho Chak Yin (SJACPS), Tang Yat Chun (JVSJ) and So Kam Lun (JVSJ).

Award Ceremony Location:  
Jordan Valley St. Joseph's Catholic Primary School

## No More Hungry Mouths!

The Foundation is making every effort to take care of all beneficiary schools under its sponsorship program. In a recent regular meeting with the management of St. Joseph's Anglo-Chinese School, mention was made of the need to prepare food for students who take part in activities on campus when the canteen is not operating. At times it could be up to dozens of students who need to be served.

We would like to thank our sponsor for this generous donation of two cookers worth \$10,000. Hurray! From now on, no more hungry mouths!

## New Honor Roll at SJACS

An honor roll has been set up in the school hall of St. Joseph's Anglo-Chinese School to recognize the past awardees of scholarships given out under the Foundation's University Scholarship Scheme.

Currently, the list honors 18 outstanding young alumni. We hope that students of SJACS will continue to work hard and strive to do their best. Ad astra!

## Giving out awards at Kowloon Bay St. John the Baptist Primary School

On the morning of February 19, 2016, Foundation Trustees Mr. Aaron HO and Mr. NG Man-kin attended the first semester awards ceremony of Kowloon Bay St. John the Baptist Primary School, one of the Foundation's beneficiary schools.

## SJACS 58th Anniversary and Awards Giving

On March 18, 2016, St. Joseph's Anglo-Chinese School commemorated its 58th anniversary. Foundation trustees Roger LAM, Daniel LI, and Aaron HO were present to join in the celebrations.

The day started with a flag-raising ceremony in the basketball court.

Then came the awards' presentation ceremony in the Bro. Paul Sun Memorial Hall. Awards rewarding the success of students in academics and inter-school sports competitions were given out.

There was a report on Josephians who participated in a fireman's training camp.

After the awards presentation, Fr. Doimo, parish priest of St. Joseph's Church, celebrated thanksgiving mass.

School supervisor Mr. Irving KOO gave a speech encouraging the Josephian Association and all alumni to keep up the support for SJACS.

Principal Poon also made a speech, giving special thanks to the Foundation and encouraging the students to reciprocate and support the school whenever they have the chance after graduation like their big brothers, so that the Rev. Bro. Paul Sun's spirit can continue.

## Thank You to Mr. Richard Fung

“My father, aged 95, lives in Melbourne, Australia. He enjoys excellent health and can still handle his brushes pretty well. His works were exhibited at a fair in Melbourne last year and some were sold to raise funds for a charity. My good friend, Richard Fung, Chief Executive of the Hong Kong Standards & Testing Centre, learned about this good deed and offered to commission his work. In return, a sum of \$1,000 will be donated to the Rev. Brother Paul Sun Education Foundation. In honor of Richard’s late parents, 父母恩 was the request. The artist was most pleased to oblige. And the whole idea is very much in keeping with the Josephian family spirit. So, here we have a very satisfied and happy donor. Thank you, Richard!” (A report filed by Trustee Andrew Li).

## Halloween Party at Ocean Park

On 16 October 2016 (Sunday), the Foundation hosted a fund-raising event at Ocean Park. Through the generous contributions of our guests and friends, almost HK\$100,000 was raised for the Foundation. We would like to thank all of our supporters for their kindness and generosity, and are very glad that this was a fun and enjoyable event for all.

## Foundation's Charity Mahjong Tournament 2016

The Foundation held its second charity mahjong tournament on Sunday, 20th March, 2016, in a restaurant in Kowloon. Same as last year, there were 12 contestants. The tournament started shortly after 3 pm. The party was graced by the participation of May Li's mother, aged 86. She was quick to take the lead, but soon the competition heated up and others caught up after some aggressive play. After an intense series, Daniel Chan ('75) got ahead pipping Patrick Law ('74) by a slight margin. It was a pity that the reigning champ, Russ Ko, was absent due to prior commitments. Otherwise, he would have found Daniel a worthy foe.

The tournament and dinner was a successful event for the Foundation, helping to raise more than \$10,000 to support the Foundation's charity program. Special thanks were due to Andrew Li, who sponsored the wine on this occasion, and May Li and Sandy Lai for organizing the tournament. All are looking forward to the next tournament, which we hope could become a quarterly event.

## Congratulations, Class of '76!

On the evening of Saturday, 16th October, 2016, the Class of '76, St. Joseph's Anglo-Chinese School held their 40th Anniversary party in a hotel in Wan Chai. Thanks are due to the organizing committee chaired by Daniel Lee Ka Leung. It was a truly grand occasion with some 70 classmates attending, some of whom had been apart since they left school. Including teachers and guests, there were almost 100 guests in total.

The guests were requested to draw a number of table prizes. The wine for the evening was sponsored by the Foundation – with the compliments of Andrew Li. The party was entertained by live singing and music. It was a memorable party which lingered on till closing time.

Congratulations, Class of '76! We are looking forward to your 45th Reunion party.

## Foundation's Annual Dinner 2016

The Rev. Brother Paul Sun Education Foundation's Annual Dinner 2016 was held on Tuesday, 26th July, at the Chinese Club, Central. It is a great pleasure to note that the number of guests, patrons and trustees who attended the event reached a record high this year, showing the increasing support and recognition of the Foundation's work in the community. Our guest of honor for the evening was Professor Lap-Chee Tsui, the former Vice-Chancellor and President of the University of Hong Kong.

After a brief break, Mr. Matthias Li, the new Chief Executive of the Ocean Park Hong Kong praised the growing achievements of BPSF in a few short years. To conclude the evening, Trustee Mr. Andrew Li gave the closing remarks, including a reminder to support the next major fund-raising function, being the annual Halloween party at the Ocean Park Hong Kong. Mr. Li also thanked all the sponsors and supporters of the Foundation. It is always a great pleasure to acknowledge donations. All in all, on this very occasion, the Foundation received some \$50,000 in donations made by donors present that evening as well as others who were not able to attend, including Dr. Victor Hsue, Dr. Lai Kang Yiu, Dr. Edmund Lee, Mr. Vincent Cheung, Mr. Stephen Sheung, Mr. Ken Fan, Ms Kate Lam, Mr. Siu Moon Tong and Mr. Frank Lam. Our special thanks go to all of them.

### Visiting Chung Yung Cycle Co.

Chung Yung Cycle Co. (鎮洋兄弟單車公司) is one of the Foundation's first corporate sponsors. Managing Director, Mr. Jason Lee is a Josephian (Class of '77), who has been running his family bicycle business in Hong Kong successfully for over 30 years.

The topic of discussion for this meeting was to see how the Foundation, in conjunction with the Josephian Association, could organize a cycling event to raise funds for the foundation. At dinner, they were joined by Russ Ko, another Trustee and Vice Chairman of the Josephian Association and Mr. Fung Tak Choi, Gilbert, a solicitor and Josephian (Class of '76). They shared a productive time together exchanging ideas. Jason was extremely helpful, eagerly sharing his past experience in such events. Some initial ideas were agreed upon, paving the way to a more concrete proposal. Jason was kind enough to commit to sponsoring the use of bicycles and gift items.

In fact, Jason has been active in sponsoring cycling events, working with at least three different charity organizations in recent years. Indeed, we felt sure Chung Yung would be an ideal corporate sponsor for such a fund-raising event.

### Luncheon Meeting with SJACPS

On April 2 2016, Trustees Andrew Li, May Li, Daniel Li, William Hui, Aaron Ho and Roger Lam met with the supervisor, principal, vice-principal and PTA representatives of St. Joseph's Anglo-Chinese Primary School (SJACPS) for lunch.

Both the school and the Foundation expressed a great willingness to explore new areas of cooperation. Among the issues discussed were the "thru-train" mode between SJACPS and the secondary school; increasing the sponsorship amount of the current scholarship scheme; details about the Rev. Bro. Paul Sun Young Scholar Award; a potential scholarship for the top P.6 graduate of SJACPS; and current progress with, and future developments of the eLearning initiatives at the school.
